INDIAN ECONOMY AT A GLANCE

POLICY WATCH

- Government ties up with OEMs to remove counterfeits
- NCLT Approves Srei Vision Fund's Acquisition of Kitply Industries
- Government mandates preference to India-made vehicles in public procurement
- Indian Ports Association launches 'PCS 1x'
- Government signs USD 31 Million loan agreement with ADB

Government ties up with OEMs to remove counterfeits

Government e-Marketplace (GeM), the end-to-end online marketplace for central and state governments, has partnered with at least a hundred Original Equipment Manufacturers (OEM) by signing Memoranda of Understanding (MoU) with respective industries of Information Technology, hardware and software, furniture and auto components to certify their sellers in a move to remove counterfeits.

NCLT Approves Srei Vision Fund's Acquisition of Kitply Industries

Srei Multiple Asset Investment Trust's Vision India Fund has received final approval of the National Company Law Tribunal (NCLT) to acquire plywood firm Kitply Industries. Final resolution plan provides for payment of the total resolution fund of USD 24.4 million. Plan also includes re-starting of the company's manufacturing unit in Assam.

Government mandates preference to India-made vehicles in public procurement

Government has mandated preference to be given to domestically-manufactured vehicles with minimum 65% local content in public procurement of automobiles. It applies to automobiles based on internal combustion (IC) engines including two and three wheelers, passenger vehicles and commercial vehicles and components or spares required for their manufacture and maintenance.

Indian Ports Association launches 'PCS 1x'

Indian Ports Association (IPA) has launched the port community system 'PCS1x', a cloud-based technology that offers services like notification, work-flow and track and trace. System will enable trade to have an improved communication with the customs as they have also embarked on Application Programming Interface (API) based architecture, thereby enabling real time interaction.

Government signs USD 31 Million loan agreement with ADB

Government has signed USD 31 million loan agreement with Asian Development Bank (ADB) to build-up Tamil Nadu Tourism Industry. Project will support the conservation and restoration of eight heritage monuments, one museum, three temples, and a pond. It will build various facilities at the sites, including information centers, rest centers, and toilet blocks, with facilities served by solar-powered lighting and energy efficient lighting.

INDUSTRY WATCH

- Crude steel output grows 4% to 8.92 million tonne in November
- Industrial production records 8.1% growth in October
- Major Ports register positive growth of 4.83%
- Direct tax collections rise 15.7% YoY for April-November period
- Coal imports rise 9.7% to 156 million tonnes during Apr-Nov period
