**INDIAN ECONOMY AT A GLANCE****POLICY WATCH**

- **CEA designs model for discoms' power sale and purchase**
- **ADB signs agreement to provide USD 750 million loan**
- **NCLT approves Heinz India-Zydus Nutritions merger**
- **CCI approves GSK, Pfizer consumer healthcare JV formation**
- **RBI amends norms on VRR investment by FPIs**

**CEA designs model for discoms' power sale and purchase**

Central Electricity Authority (CEA) has tied up with the Department for International Development (DFID), UK, to develop models that can help discoms reduce their cost and improve operations and supply. Model will encompass cost optimisation, demand forecast, integration of renewable energy, and peak and non-peak power supply functions. Also, share of renewables is increasing, it will help in planning an optimum energy mix of thermal, hydro, solar, wind and also long term and short term purchase.

**ADB signs agreement to provide USD 750 million loan**

Asian Development Bank (ADB) has signed an agreement to provide USD 750 million equivalent in Indian rupee long-term financing to electrify railway tracks in India. Indian Railway Finance Corporation (IRFC) will use the proceeds from the loan to install electric traction equipment along about 3,378 kilometres of existing railway lines to enable migration of passenger and freight traffic from diesel to electric traction.

**NCLT approves Heinz India-Zydus Nutritions merger**

National Company Law Tribunal (NCLT) has approved scheme of amalgamation between two subsidiaries Heinz India Pvt Ltd with Zydus Nutritions Ltd. Acquisition was announced on October 24 last year and now Heinz India has ceased to be in existence after approval. Heinz India, a subsidiary of the

US-based Kraft Heinz, had a distribution network of over 800 and over 20,000 wholesalers covering 29 states.

### **CCI approves GSK, Pfizer consumer healthcare JV formation**

Competition Commission of India has approved the formation of a joint venture for consumer healthcare products by pharmaceutical giants GlaxoSmithKline (GSK) and Pfizer. After the deal, GSK will have a majority controlling equity interest of 68% in the combined consumer healthcare business, while Pfizer will have a minority non-controlling equity interest of the remaining 32%.

### **RBI amends norms on VRR investment by FPIs**

Reserve Bank of India has fixed the investment limit at USD 7.87 billion for foreign portfolio investors (FPIs) under the Voluntary Retention Route (VRR), which allows to park funds in both government securities as well as corporate debt. Minimum retention period would be three years. During this period, FPIs shall maintain a minimum of 75% of the allocated amount in India.

## **INDUSTRY WATCH**

- **Indian Railways improves operating ratio to 97.3% in FY19**
- **Gold imports rise 54% to USD 3.97 billion in April**
- **Major ports cargo traffic rises 6% to 60 mt in April**
- **Bank credit to infra sector grows 18.5% in FY19**
- **4G tablet market grows 62%**

### **Indian Railways improves operating ratio to 97.3% in FY19**

Indian Railways has improved its operating ratio for 2018-19 to 97.3% largely due to its largest customers. Operating ratio is calculated based on how much money the railways spends to earn each rupee. Government-owned companies gave freight advances under the 'Freight Advance Scheme' to the tune of USD 1.87 billion to the railways for its services that they will use in the current year.
