INDIAN ECONOMY AT A GLANCE

POLICY WATCH

- Government approves USD 30 million for Agriculture Export Policy scheme
- Cabinet approves 7 amendments to IBC
- Cabinet approves investments in India's largest hydropower plant
- Cabinet approves USD 48 million loan to 3 pharma PSUs
- Centre approves Inter-State River Water disputes (Amendment) Bill, 2019

Government approves USD 30 million for Agriculture Export Policy scheme

Government has approved an outlay of USD 30 million for 2019-19 for a central sector scheme titled 'Implementation of Agriculture Export Policy' aimed at doubling farmers' income by 2022. Of this, USD 19.4 million are allocated to setup dedicated clusters for mangoes, pomegranate, bananas, grapes, tea, coffee, turmeric, and marine products, among others along with pre and post-harvest management of the production, upgrading the supply chain to attain much higher levels of export from those clusters.

Cabinet approves 7 amendments to IBC

Cabinet has approved key changes in the Insolvency and Bankruptcy Code (IBC) aimed at restricting the resolution process to 330 days, including time for litigation, and ensuring the primacy of financial creditors over operational ones in case of recoveries. Also, Committee of Creditors (CoC) will have the power to take commercial decisions on distribution of funds to various classes of creditors. Operational and unsecured financial creditors need not be treated on par with secured financial creditors.

Cabinet approves investments in India's largest hydropower plant

Cabinet Committee on Economic Affairs has approved USD 232.2 million expenditure on pre-investment activities and various clearances for Dibang Multipurpose Project in Arunachal Pradesh. Estimated total cost of the project is USD 4.07 billion and the estimated completion period for the project

shall be nine years from receipt of Government sanction. project will generate 2880 mw (12x240 mw) power.
