INDUSTRY WATCH

- **ITIs sign partnership with 719 private companies over last 6 months**
- **Office rent rises during July- September**
- **Entry barrier for petrol pump business is relaxed**
- **Two-wheeler exports rise 4% in H1**
- **DRDO signs 30 agreements on Technology Transfer**

ITIs sign partnership with 719 private companies over last 6 months

Dual System of Training (DST) has tied up with 719 corporates and private partners for training programs in last 6 months compared to 136 MoUs signed during the same period three years ago. DST scheme was introduced in 2016 with the objective of enabling industries and establishments to partner with the Government and Private Industrial Training Institutes (ITIs) for conducting training programmes towards fulfilling skilled manpower requirements.

Office rent rises during July- September

Office rentals in Hyderabad rose 9%, followed by Bangalore 6%, Chennai 4% and Kolkata 3% during July-September period. Rentals for office spaces in Hyderabad, Bengaluru and Chennai, which are IT/ITeS dominated cities have registered growth because of strong demand and low vacancy.

Entry barrier for petrol pump business is relaxed

Entry barriers are relaxed in the state-dominated petrol pump business to encourage competition from Indian and foreign firms. new entrants, domestic or foreign, will have to set up 5% of their pumps in remote areas, and each retail outlet must have facilities for at least one alternative fuel such as compressed natural gas, LPG, biofuel or a charging point for electric vehicles. Several foreign companies have shown interest in the lucrative fuel retail market in the past including Saudi Aramco, BP Plc, Total and Trafigura, which along with Russia's Rosneft has acquired Essar Oil's refinery.

Two-wheeler exports rise 4% in H1

Two-wheeler exports rose by over 4% to 17,93,957 units in the April-September period of the current fiscal against 17,23,280 units in the same period of 2018-19. Motorcycle shipments, however, rose by 6.8% during the period at 15,85,338 units as against 14,84,252 units earlier. Bajaj Auto led the segment by shipping over 1 million units to various markets like Africa and Latin America.

DRDO signs 30 agreements on Technology Transfer

Defence Research and Development Organisation (DRDO) has signed 30 licensing agreements for Transfer of Technology (ToT) with 16 Indian companies, including three start-ups. Indian Armed Forces are procuring ready-to-eat meals, survival ration and emergency flying ration products from companies which have acquired ToT from DRDO. These technologies are useful for the larger interest of society.

CORPORATE HIGHLIGHTS
