INDIAN ECONOMY AT A GLANCE**POLICY WATCH**

- **Sale of surplus land of four pharmaceutical PSUs cleared**
- **Cabinet approves International Solar Alliance**
- **Green signal for setting up Sagarmala Development Company**
- **CPWD to help Bhutan in green and sustainable construction**
- **Nepal, India agree third-country codeshare deal**

Sale of surplus land of four pharmaceutical PSUs cleared

The Union Cabinet approved the sale of surplus land of Hindustan Antibiotics Limited, Indian Drugs & Pharmaceuticals Limited, Rajasthan Drugs & Pharmaceuticals Limited and Bengal Chemicals & Pharmaceuticals Limited, as would be required, to meet their outstanding liabilities. In this way, the national assets would be utilized in the best national interest.

Cabinet approves International Solar Alliance

The Union Cabinet gave its ex-post facto approval to the proposal of Ministry of New & Renewable Energy (MNRE) for ratification of International Solar Alliance (ISA's) Framework Agreement by India. The ISA will strive to bring together more than 121 solar resource rich nations for coordinated research, low cost financing and rapid deployment.

Green signal for setting up Sagarmala Development Company

The Union government cleared a plan to set up Sagarmala Development Company (SDC) to provide equity support to port-led economic development projects, with an initial authorised share capital of USD 147 million and a subscribed share capital of about USD 13 million. The SDC's role will be to identify port-led development projects and assist special purpose vehicles (SPVs) in project development, bid out projects for private sector participation and put in place suitable risk management measures for strategic projects.

CPWD to help Bhutan in green and sustainable construction

Central Public Works Department (CPWD), the construction major under the Ministry of Urban Development has agreed to assist Bhutan in green and sustainable construction of infrastructure. A Memorandum of Understanding in this regard has been signed between CPWD and Department of Engineering Services, Ministry of Works and Human Settlements, Royal Government of Bhutan for this collaboration.

Nepal, India agree third-country codeshare deal

Nepal and India have agreed on a third-country codeshare deal which allows carriers of the two countries to share marketing services with airlines from third countries. The two neighbours signed a memorandum of understanding (MoU) on the cooperative marketing arrangement. Nepal currently has third-country codeshare agreements with China, Vietnam, Malaysia, Bhutan, the UAE and Cambodia. Code sharing provides seamless connectivity between far-off destinations not served by direct flights.

INDUSTRY WATCH

- **India third in green building rankings**
- **9.3 per cent growth in Foreign Tourist Arrivals in November 2016**
- **University of Chicago and India sign agreement to collaborate in telecommunications**
- **Government receives more than USD 49 billion in telecom space**
- **General insurance sector sees 29 per cent growth**

India third in green building rankings

India has secured the third position this year in the US Green Building Council (USGBC) annual ranking of the top 10. China, currently battling red-level hazardous smog, led the rankings, followed by Canada.

9.3 per cent growth in Foreign Tourist Arrivals in November 2016

India had a 9.3 per cent growth in Foreign Tourist Arrivals (FTAs) in November 2016 over the same period in 2015. USA accounts for highest share of tourist arrivals followed by UK and Bangladesh in November 2016. Foreign exchange of USD 2128 million was earned through tourism in November 2016.

University of Chicago and India sign agreement to collaborate in telecommunications

The University of Chicago and the Telecom Sector Skill Council of India (TSSC) have signed an agreement to bring UChicago expertise and training to India's fast-growing telecommunications workforce. Under the memorandum of understanding, UChicago will help TSSC, a public-private partnership focused on capacity building in the Indian telecom sector; create training programs focused on improving data analytic and digital skills.

Government receives more than USD 49 billion in telecom space

The government has received more than USD 49 billion, or 70%, of the proposed investments in less than two years of the commitments, led by country's top business houses including Reliance Industries, Bharti Airtel and Aditya Birla Group. The investments so far are mainly to expand telecom networks and accelerate local electronics production.

General insurance sector sees 29 per cent growth

The general insurance industry saw 29 per cent growth with premium collection of USD 1348 million for the month of November. Health was the most robust portfolio, ahead of motor and commercial lines with standalone insurers seeing 40 per cent increase at USD 59 million.

CORPORATE HIGHLIGHTS

- **Morgan Stanley PE Asia buys 20 per cent in ZCL for USD 25 million**
- **Abertis buys two Macquarie toll road assets for USD 147 million**
