INDIAN ECONOMY AT A GLANCE

POLICY WATCH

- Draft norms for food business audits finalized by FSSAI
- Online facility linking Aadhaar numbers with PAN launched by IT Department
- Draft accounting rules for real estate projects issued by CBDT
- GSTN to re-open from June 01, 2017
- RBI extends BBPS deadline to Dec 31, 2017

Draft norms for food business audit finalised by FSSAI

Food Safety and Standards Authority of India (FSSAI) has finalized the draft regulation for a systematic and functionally independent examination of facilities and processes of food manufacturing companies. This is in compliance with the Food Safety and Standards Act, 2006. An evaluation of all auditing agencies and auditors will be done by a committee formed by FSSAI, Quality Council of India, Agricultural and Processed Food Products Export Development Authority and Export Inspection Council of India.

Online facility linking Aadhaar numbers and PAN launched by IT department

IT Department has launched an online facility linking Aadhaar numbers with Permanent Account Numbers (PAN). According to the Finance Act 2017 it is mandatory to quote Aadhaar number for filing tax returns. The linking process would identify eligible beneficiaries under various subsidy schemes of Government of India.

CBDT issues draft accounting rules for real estate projects

The Government has issued a fresh draft of the Income Computation and Disclosure Standard (ICDS) for real estate projects in consultation with Institute of Chartered Accountants of India. The new rule would help determine income from all forms of transactions in real estate, including land and buildings. ICDS are applicable from the assessment year 2017-18 for computation of income.

GSTN to re-open from June 01, 2017

The Government will re-open Goods and Services Tax Network (GSTN) for a period of 15 days from June 01, 2017. This is for all those tax payers who have not yet migrated to GSTN in the wake of GST rollout on July 1, 2017. According to Government sources, more than 6 million taxpayers have already migrated to the GSTN until April 30, 2017.

RBI extends BBPS deadline to Dec 31, 2017

The Reserve Bank of India has extended the last date for companies undertaking billing business under Bharat Bill Payment System (BBPS) to December 31, 2017. BBPS is an integrated bill payment system offering interoperable and accessible bill payment service to customers through a network of agents. It also enables multiple payment modes, and provides instant confirmation of payment to the customer. The RBI is also considering inviting fresh applications for Bharat Bill Payment Operating Units.

INDUSTRY WATCH

- India ranks 26th in 'Ease of Getting Power'
- HPCL to set up USD 3 billion Petrochem unit in Punjab
- Anti-Dumping Duty levied on 47 steel products
- Auto Sector to invest USD 15.54 billion in product upgradation
- Andhra Pradesh signs MoC with Lowa, USA

India ranks 26th in 'Ease of Getting Power'

India has moved to 26th position in Global Electricity Accessibility ranking of 'Ease of Getting Power', up from 99th position in 2014. Annual power price growth was up 3.27% in 2014-16 as against 5.94% across last decade 2004-14. India is actively taking major steps to promote and develop energy conservation, efficiency and green energy.

HPCL to set up USD 3 billion Petrochem unit in Punjab

Hindustan Petroleum Corporation Ltd (HPCL) will invest USD 3 billion in setting up a petrochemical complex at their refinery in Bhatinda, Punjab. HMEL, an HPCL-Mittal Energy Ltd joint venture, will set up a 1.7-million tonne naphtha cracker unit to produce basic raw material for making of plastic.

Anti-Dumping Duty levied on 47 steel products

Government has imposed Anti-Dumping Duty on 47 steel products. The duty will be imposed for five years with effect from August 08, 2016 on steel products originating in or exported from China, Japan, Korea, Russia, Brazil and Indonesia.

Auto Sector to invest USD 15.54 billion in product upgradation

The Indian automobile industry is expected to invest USD 15.54 billion on product upgradation according to the Society of Indian Automobile Manufacturers (SIAM). This is in the wake of the upcoming emissions, safety and fuel efficiency norms for all automobiles.

Andhra Pradesh signs MoC with Lowa, USA

Government of Andhra Pradesh has signed a Memorandum of Cooperation (MoC) with Lowa, USA. The MoC aims to promote research and development in the fields of science, agriculture and life sciences in Andhra Pradesh. This would lead to better seed production and research leading to increase in crop output making farmers lives better, boosting agriculture and helping in eradicating hunger from the world.
